

Is there a trail
I can walk on
along the entire
Susquehanna River?

While some sections of the
Susquehanna have walking
and biking trails along the
river, *they are not the focus of
this project.*

so... what is the

*Susquehanna
River Trail?*

In this case River Trail refers
to a series of river access
points. The Susquehanna
River Trail connects scenic
and historical sites and boat
launches along the Susque-
hanna River and its tributaries.
The purpose of this river trail is
to promote the recreational
and educational use of the
river by paddlers, boaters, and
other water users.

Friends of the
CHEMUNG RIVER
WATERSHED
www.chemungriverfriends.org

The Friends of the Chemung River Watershed
(River Friends) is a not-for-profit corporation
formed to preserve and promote the 45-
mile-long Chemung River and its tributaries
-- The Canisteo, Cohocton, Cowanesque and
Tioga Rivers.

River Friends works to protect these water-
ways and use them to improve the quality of
life, economy and natural environment of our
communities.

www.headwatersrivertrail.org

The Headwaters River Trail Partnership (H RTP)
is a group of river enthusiasts from
Broome, Tioga, Cortland, Chenango, and
Otsego counties working together to
improve recreational opportunities on the
Susquehanna River and its 4 major tributaries
-- the Tioughnioga, Otselic, Chenango, and
Unadilla Rivers.

The Headwaters River Trail offers hundreds of
miles of navigable waters and 60 public
access points allowing boaters and fisherman
to enjoy this natural resource. More access
points are being planned and constructed
every year.
